

EBA

Conference of the European Biogas Association

2018
ANTWERP

JANUARY 24 - 26

Exhibition options

www.biogasconference.eu

Since its first edition in 2012 the EBA conference has been growing and is now one of the leading conferences on anaerobic digestions and gasification.

Our speakers list includes high level policy makers and representatives from leading biogas and biomethane business.

In 2016 Mr. Jyrki Katainen, Vice-President European Commission and Mr. Giovanni La Via, member of the

European Parliament, were among our key note speakers.

The fourth edition will take place January 24-26, 2018 in Antwerp, Belgium and offers sponsors and exhibitors a unique platform to communicate with industry professionals, scientists and policy makers.

Participants come primarily from Europe but also from the USA, Japan and Canada.

Kinepolis Event Centre Antwerp will be the setting for all conference sessions, the exhibition and poster sessions, providing high standard facilities. ■
